DETAILED ACTION

Information Disclosure Statement

1. The information disclosure statement (IDS) submitted on March 9, 2004 is being considered by the examiner.

Allowable Subject Matter

2. Claims 1-10 are allowed.
3. The following is an examiner's statement of reasons for allowance: The prior art does not teach or fairly disclose a content addressable memory cell comprising: a first storage element of a first phase change resistor for storing a first stored bit, connected in series with a first diode; a second storage element of a second phase change resistor for storing a second stored bit, connected in series with a second diode, the second bit being an inverse of the first bit; and a match line connected to the first and second storage elements for indicating whether a match occurred between the first bit and the first stored bit, and between the second bit and the second stored bit.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Gene N Auduong whose telephone number is (571) 272-1773.
